INTRODUCTION

This Statewide Bullying Policy is promulgated pursuant to the authority set forth in §16-21-34 of the General Laws of Rhode Island. Known as the Safe School Act, the statute recognizes that the bullying of a student creates a climate of fear and disrespect that can seriously impair the student's health and negatively affect learning. Bullying undermines the safe learning environment that students need to achieve their full potential. The purpose of the Policy is to ensure a consistent and unified statewide approach to the prohibition of bullying at school.

Nothing in this policy prohibits the North Providence School Department from complying with federal antidiscrimination laws.

Bullying most often occurs as repeated behavior and often is not a single incident between the bullying/cyber-bullying offender(s) and the bullying victim(s).

CYBER-BULLYING means bullying through the use of technology or any electronic communication, which shall include, but not be limited to, any transfer of signs, signals, writing, images, sounds, data, texting or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photo electronic or photo optical system, including, but not limited to, electronic mail, Internet communications, instant messages or facsimile communications.

AT SCHOOL means:

a. on school premises,

b. at any school-sponsored activity or event whether or not it is held on school premises,
c. on a school-transportation vehicle,

   the orderly operation of the school.

2. SCHOOL CLIMATE

Bullying, cyber-bullying, and retaliation against any person associated with a report of bullying
or the investigation thereof is prohibited in all schools that are approved for the purpose of the
compulsory attendance statute (§§16-19-1 and 16-19-2). School staff shall take all reasonable
measures to prevent bullying at school. Such measures may include professional development
and prevention activities, parental workshops, and student assemblies among other strategies.
School faculty, administration and staff, at all times, will model courteous behavior to each
other, to students, and to school visitors. Abusive or humiliating language or demeanor will not
be accepted. Additionally, students and their families are expected to exhibit courteous behavior
to all members of the learning community in school and at school sponsored events.

3. POLICY OVERSIGHT and RESPONSIBILITY

committee and/or school governing board with a summary report of incidents, responses, and
any other bullying-related issues at least twice annually.

For public schools, the prevention of bullying shall be part of the school district strategic
plan (§ 16-7.1-2(e)) and school safety plan (§16-21-24).

4. INFORMATION DISSEMINATION

The school principal, director or head of school shall ensure that students, staff, volunteers, and
parents/legal guardians are provided information regarding this Policy. This information shall
include methods of discouraging and preventing this type of behavior, the procedure to file a
complaint, and the disciplinary action that may be taken against those who commit acts in
violation of this policy.

This policy shall be:

a. Distributed annually to students, staff, volunteers, and parents/legal guardians
b. Included in student codes of conduct, disciplinary policies, and student handbooks
c. A prominently posted link on the home page of the school /district website
5. REPORTING

The school principal, director or head of school shall establish, and prominently publicize to students, staff, volunteers, and parents/guardians, how a report of bullying may be filed and how this report will be acted upon (See attached sample Report Form).

The victim of bullying, anyone who witnesses an incidence of bullying, and anyone who has credible information that an act of bullying has taken place may file a report of bullying.

Any student or staff member who believes he/she is being bullied should immediately report such circumstances to an appropriate staff member, teacher or administrator.

Parents/Guardians of the victim of bullying and parents/guardians of the alleged perpetrator of the bullying shall be notified within twenty-four (24) hours of the incident report. When there is a reasonable suspicion that a child is either a bully or a victim of bullying, the parents/guardians of the child will be notified immediately by the principal, director or head of school.

Responsibility of Staff: School staff, including volunteers, who observe an act of bullying or who have reasonable grounds to believe that bullying is taking place must report the bullying to school authorities. Failure to do so may result in disciplinary action.

Responsibility of Students: Students who observe an act of bullying or who have reasonable grounds to believe that bullying is taking place must report the bullying to school authorities. Failure to do so may result in disciplinary action. The victim of bullying, however, shall not be subject to discipline for failing to report the bullying. Student reports of bullying or retaliation may be made anonymously, provided, however, that no disciplinary action shall be taken against a student solely on the basis of an anonymous report.

Prohibition against Retaliation: Retaliation or threats of retaliation in any form designed to intimidate the victim of bullying, those who are witnesses to bullying, or those investigating an incident of bullying shall not be tolerated. Retaliation or threat of retaliation will result in the imposition of discipline in accordance with the school behavior code.

False Reporting/Accusations: A school employee, school volunteer or student who knowingly makes a false accusation of bullying or retaliation shall be disciplined in accordance with the school behavior code.

Reports in Good Faith: A school employee, school volunteer, student, parent/legal guardian, or caregiver who promptly reports, in good faith, an act of bullying to the appropriate school official designated in the school’s policy shall be immune from a cause of action for damages arising from reporting bullying.

6. INVESTIGATION/RESPONSE

The school principal, director or head of school shall promptly investigate all allegations of bullying, harassment, or intimidation. If the allegation is found to be credible, appropriate
disciplinary actions, subject to applicable due process requirements, will be imposed. The School Resource Officer or other qualified staff may be utilized to mediate bullying situations.

The investigation will include an assessment by the school psychologist and/or social worker of what effect the bullying, harassment or intimidation has had on the victim. A student who engages in continuous and/or serious acts of bullying will also be referred to the school psychologist and/or social worker.

**Police Notification:** Immediate notification of the local law enforcement agency will be made when circumstances warrant the pursuit of criminal charges against the perpetrator.

**Protection:** If a student is the victim of serious or persistent bullying:

b. The interventions will be developed, if possible, with input from the student, his or her parent/guardian, and staff.
c. The parents'/guardians of a victim shall also be notified of the action taken to prevent any further acts of bullying or retaliation.

7. **DISCIPLINARY ACTION**

The disciplinary actions for violations of the bullying policy shall be determined by the school/district appropriate authority. Disciplinary actions for violations of the bullying policy shall balance the need for accountability with the need to teach appropriate behavior. The severity of the disciplinary action shall be aligned to the severity of the bullying behavior.

The range of disciplinary actions that may be taken against a perpetrator for bullying, cyberbullying or retaliation shall include, but not be limited to:

a. Admonitions and warnings

11. ADOPTION OF POLICY

The North Providence School Committee hereby adopts this policy, in its entirety effective immediately.
ANTI-DISCRIMINATION/ANTI-HARRASMENT POLICY

AND GRIEVANCE PROCEDURE

The North Providence Public Schools (the “District”) is committed to maintaining and promoting an educational environment free from all forms of discrimination, including harassment. The civil rights of all school community members are guaranteed by law, and the protection of those rights is important to the District. Retaliation against any student or any other individual who has complained of discrimination, including harassment, or individuals who have cooperated with an investigation of such complaint, is also unlawful and will not be tolerated. The District will promptly investigate, remedy any harm, seek to protect students and/or employees, and to prevent recurrence of such conduct. This policy applies to conduct directed toward students and other persons associated with the educational community by all other persons associated with the educational community including, but not limited to, students, District employees, the School Committee, school volunteers, parents and independent contractors. V. **Procedure for Reporting Discrimination and Harassment**

The following complaint procedure has been established to ensure prompt and effective investigation into allegations of discrimination, including harassment. (For a complaint of disability discrimination that is NOT harassment, please refer to the District’s Section 504/ADA Prohibition Against Discrimination Based on Disability policy/procedure.)

A person who believes that he or she had been harassed or otherwise discriminated against, is encouraged to report the situation to the Principal immediately. Reports/complaints are to be filed within ninety (90) days after: the discriminatory conduct or the individual reasonably becomes aware of the conduct. (Note: this filing period may be extended for good cause.) The report can be written or oral and should consist of the following:

7. any other details or information requested by the investigating official.

In addition, the person should provide the Principal with any documentation (emails, notes, pictures, electronic or recorded media, etc.) or other information in support of the allegation of discrimination, including harassment.

VI. Investigation of Complaints

Upon receipt of a report or complaint, the Principal shall facilitate a prompt investigation. The investigation must allow for the complainant, the subject of the complaint, and the alleged harasser to provide information, including the names of witnesses or other evidence, relevant to the investigation of the complaint. The principal will also endeavor to promptly interview and obtain detailed written statements from the complainant, the subject of the complaint, the alleged harasser, as well as any potential witnesses. The principal will also review any other documents or information that he or she believes is relevant to the investigation.

In the event that an investigation reveals that the alleged action or actions do not constitute discrimination or harassment as defined in this policy, but that the underlying conduct may meet the definition of bullying or cyberbullying as set forth in the District’s Bullying Policy, then the results of the investigation should be forwarded and/or reviewed in conjunction with the provisions of that policy. If necessary, the investigation may be re-opened under the parameters of that policy.

If a violation is found to have occurred, the District will take steps to prevent reoccurrence of the violation and correct its discriminatory effect on the person(s) affected. Such steps may include appropriate disciplinary action (including but not limited to suspension of student(s) and termination of employee(s)), counseling, development of a safety plan and other remedies, as appropriate.

**Appeal Process**

NORTH PROVIDENCE SCHOOL DEPARTMENT SECTION 504/ADA

PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504") and Title II of the Americans with Disabilities Act of 1990 ("ADA") and their implementing regulations, no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity in the North Providence School Department ("District"). The District does not discriminate in admission or access to, participation or treatment, or employment in, its programs or activities. As such, the District’s policies and practices will not discriminate against students and employees and with disabilities, will provide equal opportunity to employment, and will make accessible to qualified individuals with disabilities its facilities, programs, and activities. Disability discrimination will not be permitted in any of the programs, activities, policies, and/or practices in the District.

As used in this policy and as defined under Section 504/ADA (as the same may be amended from time to time), "an individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

The Section 504 regulations also require a school district to provide a "free appropriate public education" (FAPE) to each eligible student who has a disability and is in the school district's jurisdiction. Under Section 504, FAPE consists of the provision of regular or special education and related aids and services designed to meet the student's individual educational needs as adequately as the needs of nondisabled students are met and are based upon adherence to the applicable Section 504 and Title II regulations.

1. Free and Appropriate Public Education for Students

The District is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who are disabled within the definition of Section 504.
Under Section 504, the District must provide a free appropriate public education to each qualified disabled child. A free appropriate public education, under Section 504, consists of regular or special education and related aids and services that are designed to meet the individual student's needs and based on adherence to the regulatory requirements on educational setting, evaluation, placement, and procedural safeguards. 34 CFR 104.33, 104.34, 104.35, and 104.36. A student may be handicapped within the meaning of Section 504, and therefore entitled to regular or special education and related aids and services under the Section 504 regulations, even though the student may not be eligible for special education and related services under IDEIA.

Parent(s)/guardian(s)/custodian(s)/ (“parents”) are invited and encouraged to participate fully in the evaluation process, 504 plan development, 504 meetings, etc.

The District will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. The District will verify that persons with disabilities participate with persons without disabilities in such activities and services to the maximum extent appropriate.

Any parent who disagrees with a decision made by the District or the disagrees with the student’s 504 team may follow the “Grievance Procedure for Addressing Discrimination” set forth below OR may request a hearing before an impartial hearing officer at the Rhode Island Department of Education (RIDE) OR may file a complaint with the United States Department of Education, Office of Civil Rights (OCR). Contact information for RIDE and OCR can be found at the end of this policy.

2. Employment Practices

Discrimination Prohibited

In accordance with Section 504/ADA, no qualified individual with a disability shall, on the basis of disability, be subjected to discrimination in employment under any of the District’s programs or activities. Further, the District will take positive steps to employ and advance in employment qualified individuals with disabilities. The District will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability.
Additionally, the District will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

**Reasonable Accommodation**

The District will make reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless the accommodation would impose an undue hardship on the operation of the District’s program and/or activities.

3. **Facilities and Programs**

No qualified person with a disability will, because the District’s facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies. This includes, but is not limited to, providing accommodations to parents with disabilities necessary for them to participate as other parents are allowed to participate in their child’s educational programs or meetings pertinent thereto.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. Programs and activities will be designed and scheduled so that the location and nature of the facility or area of the program will not deny a student with a disability the opportunity to participate on the same basis as a student without disabilities. The District will meet its obligation through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, alteration of existing facilities and/or construction of new facilities, or any other method that results in making its programs and activities accessible to persons with disabilities. In choosing among available methods for meeting its obligations, the district will give priority to those methods that serve persons with disabilities in the most integrated setting appropriate.
Designated Officials for Addressing Discrimination Complaints

In each school building, the Principal is responsible for receiving and investigating reports and complaints of violations of this Policy at the school level. Individuals may file a report or complaint of discrimination with the Principal. In the event that the Complaint alleges violations against the principal or the Director of Special Education, the Complaint shall be delivered to the Superintendent, who shall appoint an individual to conduct the investigation.

Grievance Procedure for addressing Discrimination

The following complaint procedure has been established to ensure prompt and effective investigation into allegations of disability discrimination. If the complaint pertains to allegations of disability-based harassment, refer to the District’s Anti-Discrimination/Anti-Harassment Policy and Grievance Procedure.

A person who believes that he or she had been discriminated against is encouraged to report the situation to the Principal immediately. Reports/complaints are to be filed within ninety (90) days after the conduct complained of occurred or the time the individual reasonably becomes aware of the conduct. (Note: this filing period may be extended for good cause.) The report can be written or oral and should consist of the following:

1. The specific action objected to, including but not limited to a team decision, action, or refusal to take an action requested by the parent or alleged denial of FAPE

2. The date(s) and time(s) such action or refusal to take an action or alleged denial of FAPE took place,

3. The name(s) of the District staff or other persons believed to be discriminating against them,

4. The name(s) of any witness(es),

5. Action sought to remedy the situation, and

6. Any other details or information requested by the investigating official.
In addition, the person should provide the Principal with any documentation (emails, notes, pictures, etc.) or other information in support of the allegation of discrimination.

**Investigation of Complaints**

Upon receipt of a report or complaint, the Principal shall facilitate a prompt investigation. The investigation must allow for the complainant, the subject of the complaint, and the individual alleged to have discriminated to provide information, including the names of witnesses or other evidence, relevant to the investigation of the complaint. The principal will also endeavor to promptly interview and obtain detailed written statements from the complainant, the subject of the complaint, the individual alleged to have discriminated, as well as any potential witnesses. The principal will also review any other documents or information that he or she believes is relevant to the investigation.

A written determination regarding the complaint and any resolution will be provided by the principal to the complainant and the accused within thirty (30) school/working days of the complaint.

**Appeal Process**

The complainant may request reconsideration of the determination and/or resolution of a complaint by notifying the Superintendent in writing or verbally within seven (7) school/working days of receipt of the written determination of the Principal. The Superintendent or his/her designee will respond to such request within thirty (30) school/working days of receipt of the request for reconsideration; his/her decision is final.
If a violation is found to have occurred, the District will take steps to prevent reoccurrence of the violation and correct its discriminatory effect on the person(s) affected.

If the violation involves the denial of a free and appropriate public education to a student or students, such steps may include re-convening of the 504 team, revision of a 504 plan, compensatory services, development of a safety plan and other remedies, as appropriate.

If the violation involves an employment issue, such steps may include appropriate discipline up to and including possible termination of any employee violating this policy and/or such other remedies as are appropriate.

Confidentiality

Investigations of discrimination complaints shall be conducted in such a manner as to disclose information only to those who need to know or those who may have information pertinent to the investigation. Please note, some level of disclosure may be necessary in the course of conducting interviews in connection with investigation of any complaint under this policy. The North Providence Public Schools shall endeavor to keep such information as confidential as it can without compromising the thoroughness of the investigation.

State and Federal Authorities

In addition to the process described above, the complainant may, at any time, file a complaint with to the Office for Civil Rights, Rhode Island Department of Elementary and Secondary Education, or other appropriate federal or state agency charged with enforcement of state and federal laws prohibiting discrimination.
