Scope and Sequence for Grade 1 Mathematics

Trimester	Unit	Title	Instructional Days	My Math Chapter
1	T1U1	Exploring Numbers (formative assessments only)	10	Chapters 1-4
	T1U2	Applying Numbers from 1 to 20 (common assessment)	10	
	T1U3	Exploring Addition and Subtraction (includes developing Addition Strategies within 20, developing Subtraction Strategies within 20, identifying arithmetic patterns, and finding tens to add and subtract) (common assessment)	30	
			50	
2	T2U1	Developing Addition and Subtraction to Solve Story Problems (common assessment)	8	All chapters-ongoing
	T2U2	Investigating Numbers, Exploring and Understanding Place Value (common assessment)	25	Chapter 5
	T3U3	Developing Numbers to 120 (no common assessment)	8	Chapter 5
	T2U3	Represent & Interpret Data (common assessment) Please Note: This is assessed in Trimester 3	10	Chapter 7
			51	
3	T2U4	Measurement (measure lengths indirectly and by iterating length units), Work with Money (compare values of coins), and Tell & Write Time (assessed with Tri 3, Unit 1)	20	Chapter 8
	T3U1	Reasoning with Shapes and their Attributes and 2-D & 3D Composite Shapes (common assessment)	10	Chapters 9 & 10
	T3U2	Developing Equal Shares of Circles and Rectangles (no common assessment)	5	
	T3U4	Applying Addition and Subtraction Strategies with numbers to 120 (common assessment)	10	Chapter 6
	T3U5	Applying Addition and Subtraction to Solve Story Problems with numbers to 120 (common assessment)	5	All chapters - on going
			50
