

Back to School Important Information from the School Nurses

Please be sure to update your **PARENT/GUARDIAN EMERGENCY CONTACT LIST**.

- Every parent/guardian needs to ensure there is a **contact person on their pick up list that is immediately available to pick up their student**, if the parent/guardian cannot pick up their child.
- To minimize the risk of exposure to others in the school population, immediate pick up **within one hour** is required should your child exhibit any symptom of COVID-19.
- Please keep in mind that your child will be in an isolation room until picked up .

Healthy Students & a Healthy School Environment

- A daily wellness screening form needs to be done for your child(ren), every morning prior to entering school. This can be found on Skyward.
- If they feel sick or exhibit symptoms of illness, **students must stay home**.
- If a student has even one (1) symptom that is on the symptom list below, they cannot come to school and must stay home. Feel free to call your school nurse for guidance if unsure.
- If your child(ren) develops a symptom(s) at school, they will be sent home and we will follow the guidance of the RI Department of Health.
- Guidance from the RI Department of Health states if your child has any symptom listed below they **cannot attend school**.
- Consult with your child's allergist and/or pulmonologist to discuss preventative maintenance medications that will prevent these symptoms if your child has seasonal allergies and or asthma.
