
Accessing Student Portal Software

For more information about using the Student Portal software, refer to the Educator's Guide to Student Portal Software.

Starting Student Portal Software

To start the Student Portal software, perform the following steps.

1. Sign out of the Chromebook.

Note: The student must be signed out of the Chromebook to see the “Apps” choice next to Shut Down in the lower left.

2. Select the “Apps” button at the bottom of the sign-in screen.
3. Select the Student Portal app.

Closing Student Portal Software

To close the Student Portal software, restart the Chromebook.
