QUESTIONS FROM PROSPECTIVE BIDDERS

- 1. The addendum refers to a "Use of Facilities Policy attached" but I do not see this policy form or a link to a doc in your email.**

- 2. The Addendum states that the Bid Submittal Form includes a line for rental fees, although the version I have (screenshot attached) does not have a line specifically for rental fees. Is it okay to add a line for this or would you prefer to send me a new form?**

The RFP does have lines on the bottom of each bid submittal form that indicate "Total Annual Rent Payment to North Providence Schools, 10 months with lines for amount in numbers and amount in words.

The RFP is posted on this website. <http://nprovschools.org/bid-documents>

This is the link to the actual document:

- 3. Does the district require revenue share as part of this RFP in addition to the rental fees?**

No, there is no revenue share required.
