The District's Property Usage Policy and its accompanying Protocol are attached hereto and incorporated by reference as additional terms and conditions of this agreement. In the event of a conflict between those documents and this agreement, the terms of this agreement shall prevail. 2. If Renters are hiring outside vendors to provide any goods or services at the event, the District may, in its sole discretion, require that such vendor(s) provide, in form and amount reasonably satisfactory to the District, an indemnification agreement. Renters shall provide a list of such vendors at least two weeks prior to the event.

VIII. Non-Assignment

Neither party may assign, delegate, or otherwise transfer any of the rights or obligations under this agreement without the prior written consent of the other party.

IX. Termination

Renter may terminate this agreement on 14 days' notice to the District. The District reserves the right to cancel any property use agreement at any time, when such cancellation is advisable and in the best interest of the District's students.

In the event the District must cancel this agreement, Renter will be entitled to any deposit paid to the District. However, in no event will the District be liable for any lost profits or incidental, indirect, special, or consequential or any other damages arising out of the Renter's inability to use the Rental Area, even if District has been advised of the possibility of such damages.

X. Miscellaneous

If Renter and District cannot mutually agree upon such a process, the dispute will be submitted to a three-member arbitration panel of the American Arbitration Association for final resolution.
2. Integration. This document contains the entire agreement of the parties and supersedes all prior written or oral agreements relating to the subject matter.
