**North Providence Middle Schools Summer Math IXL Assignment:
Incoming 7th Graders 2020**

The goal of summer math is to ensure that students are prepared for Grade 7. The skills are integral parts of the 6th and beginning 7th grade curriculum. All incoming 7th graders should complete the math assignment over the summer. **Choose 15 out of the 21 skills to complete.** If you complete all 21 skills, you will be awarded 5 extra points on a quiz. The assignments are due to your math teacher by **Friday, September 18, 2020.**

Assignments will not be accepted late.

Using the worksheet below, record date after completing each skill and the score received. You will receive a grade of 100% for completing the packet with a "smart score" of 80 or better.
