

NPHS School Improvement Team Meeting Minutes

NPHS SIT meeting attendance for October 24, 2024

Presentation given by Tim Olivo, Administrative Intern

- 36.4% of NPHS students considered chronically absent 2022-23 SY

SurveyWorks data -- a majority of NPHS students (approx.) 75% think missing two days of school per month wouldn't seriously impact their success

Why do students miss school? #2 response: because they didn't get enough sleep (#1 reason: because they were sick)

- 11% responded they missed school because they were caring for someone at home
- 12% said they had just given up
- 27% went on vacation at some point during the school year

Small group activity -- what are the **biggest** causes for chronic absenteeism?

1. brainstorm any underlying causes that might be responsible for absenteeism for that group's topic
2. select items that school /community could influence in some way -- brainstorm ideas that might help mitigate factors

Group categories:

- personal factors
- family factors
- school factors
- systemic factors

Groups shared out their various observations and brainstorms for solutions

Next meeting: Wednesday, January 22, 2025 @1:00pm
