

NPHS School Improvement Team Meeting Minutes

NPHS SIT meeting attendance for April 29, 2025

Presentation / Session led by Kyle Maynard, Administrative Intern

Examination of the current school improvement plan

- Plan identifies four schoolwide goals
- Each goal has two initiatives
- Each initiative lists various action steps to help NPHS reach those goals
- Each action step lists the person(s) responsible, resources, timeframe, and evidence

NPHS faculty spent recent PD time in departments to review progress on where we stand on the goals / action steps in our current school improvement plan.

Goals focus on increasing state testing results in ELA, mathematics, and science, increasing support for MLL population, increasing student attendance, and increasing graduation rate from 93% - 95%.

Departments identified in each action step whether they felt the school can rate each as:

- ✅ Complete
- ❌ Not Started
- 😊 In Progress

All action steps labeled as Complete or In Progress
